SEWER

Quarterly Service Charge:

	Current
	<u>Rate</u>
	\$9.97
Unmetered	\$65.30

Unmetered customers are charged a sum equivalent to the average user fee charged to other users whose rates are based on water consumption. Per the PSC rate file this is 2,277 cubic feet per quarter.

Plus Volume Charge:

Current Rate	\$2.43 per 100 cubic feet
--------------	---------------------------

Note: 1 cubic foot = 7.4805 gallons

This information is distributed annually and when rates are changed to all Kohler Water and Sewer Utility customers per Wisconsin Administrative Code PSC 185.33 Billing (1)(f).
